GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Global Notes

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODS, AND DISCLAIMER REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS

The Schedules of Assets and Liabilities (collectively, the "Schedules") and Statements of Financial Affairs (collectively, the "Statements," and, together with the Schedules, the "Schedules and Statements") filed by Caesars Entertainment Operating Company, Inc. ("CEOC"), and its affiliated debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the "Debtors") in the United States Bankruptcy Court for the Northern District of Illinois (the "Bankruptcy Court") were prepared in accordance with section 521 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") by management of the Debtors, with the assistance of the Debtors' professional advisors, and are unaudited.

The Schedules and Statements have been signed by Mary E. Higgins, Chief Financial Officer of CEOC. Accordingly, in reviewing and signing the Schedules and Statements, Ms. Higgins necessarily relied upon the efforts, statements, and representations of various personnel and advisors of the Debtors. Ms. Higgins has not (nor could have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors, classification of such amounts, and their addresses.

These Global Notes and Statement of Limitations, Methods, and Disclaimer Regarding the Schedules and Statements (the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of all of the Schedules and Statements. The Global Notes should be referred to and reviewed in connection with any review of the Schedules and Statements.

General Disclosures Applicable to Schedules and Statements

1. - General Reservation of Rights. The corporate structure of the Debtors is extraordinarily complex. Although the Debtors' management has made every reasonable effort to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances based on information that was available to it at the time of preparation, subsequent information or discovery may result in material changes to the Schedules and Statements, and inadvertent errors or omissions may have occurred, some of which may be material. Because the Schedules and Statements contain unaudited information, which remains subject to further review, verification, and potential adjustment, there can be no assurance that the Schedules and Statements are complete. The Debtors reserve all rights to amend the Schedules and Statements from time to time, in any and all respects, as may be necessary or appropriate, including the right to dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, or classification, or to otherwise subsequently designate any claim ("Claim") as "disputed," "contingent," or "unliquidated." Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to these chapter 11 cases, including issues involving substantive consolidation, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

The listing in the Schedules and Statements (including, without limitation, Schedule B-35 and Schedule F) by the Debtors of any obligation between a Debtor and another Debtor or between a Debtor and a non-Debtor affiliate is a statement of what appears in the Debtors' books and records and does not reflect any admission or conclusion of the Debtors regarding whether such amount would be allowed as a Claim or how such obligations may be classified and/or characterized in a chapter 11 plan of reorganization or by the Bankruptcy Court. The Debtors reserve all rights with respect to such obligations.

2. - Description of These Chapter 11 Cases and "As Of" Information Date. On January 15, 2015 (the "Petition Date"), each of the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code in the Bankruptcy Court. The Debtors' chapter 11 cases are jointly administered for procedural purposes only under In re Caesars Entertainment Operating Company, Inc., No. 15-01145 (ABG) (Bankr. N.D. Ill.) pursuant to an order entered by the Bankruptcy Court on January 16, 2015 [Docket No. 43]. On February 5, 2015, the United States Trustee for the Northern District of Illinois appointed a statutory committee of unsecured creditors and a statutory committee of second priority noteholders, in each case pursuant to section 1102(a)(1) of the Bankruptcy Code [Docket Nos. 264, 266, 317]. On March 12, 2015, the Bankruptcy Court entered an order granting in part and denying in part the motions to appoint an examiner pursuant to section 1104 of the Bankruptcy Code [Docket No. 675]. The Debtors continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Each Debtor's fiscal year ends on December 31. All asset information, except where otherwise noted, is as of December 31, 2014. Amounts ultimately realized may vary from net book value (or whatever value was ascribed) and such variance may be material. The Debtors reserve all of their rights to amend or adjust the value of each asset set forth herein. The liability information, except where otherwise noted, is as of the opening of business on the Petition Date.

3. - Basis of Presentation. For financial reporting purposes, the Debtors, along with their non-Debtor subsidiaries, prepare consolidated financial statements that are filed with the Securities and Exchange Commission (the "SEC") and that are audited annually. Prior to May 2014, the Debtors reported only under the consolidated financial statements prepared by Caesars Entertainment Corporation ("CEC"), the majority owner of CEOC. Beginning in the second quarter of 2014, however, CEOC began filing separate consolidated reports with the SEC.

Unlike the Debtors' consolidated financial statements, the Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the Debtors' books and records and historical financial statements. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States, nor are they intended to be fully reconciled to the financial statements filed by CEOC with the SEC.

4. - Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts included in the Debtors' books and records. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total, and the difference may be material. In addition, the amounts shown for total liabilities exclude items identified as "unknown," "disputed," "contingent," "unliquidated," or "undetermined," and, thus, ultimate liabilities

may differ materially from those stated in the Schedules and Statements. To the extent a Debtor is a guarantor of debt held by another Debtor, the amounts reflected in these Schedules are inclusive of each Debtor's guarantor obligations.

5. - Excluded Assets and Liabilities. The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including goodwill, intangibles, the Total Rewards® program, accrued liabilities including, but not limited to, accrued employee compensation and benefits, gaming and hospitality related accruals, tax accruals, accrued accounts payable, accrued contract termination damages, accrued exit costs, deferred income accruals, litigation accruals, and certain deposits. The Debtors also have excluded potential Claims arising on account of the potential rejection of executory contracts and unexpired leases, to the extent such Claims exist. In addition, certain immaterial assets and liabilities that are not reported or tracked centrally may have been excluded.
6. - Amendments and Supplements; All Rights Reserved. Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; inadvertent errors or omissions, however, may exist. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements from time to time as is necessary and appropriate.
7. - References. Reference to applicable loan agreements, note indentures, and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.
8. - Currency. All amounts are reflected in U.S. dollars unless otherwise indicated.
9. - Book Value. Unless otherwise indicated, the Debtors' assets and liabilities are shown on the basis of their net book values. Thus, unless otherwise noted, the Schedules and Statements reflect the carrying value of the assets and liabilities as recorded on the Debtors' books, and are not based upon any estimate of their current market value. The Debtors reserve all rights related to the net book value reflected in the Schedules and Statements.
10. - Paid Claims. The Bankruptcy Court authorized the Debtors to pay certain outstanding prepetition Claims-including, but not limited to, payments to employees, customers, certain vendors, and claims subject to sureties-pursuant to various "first day" and "second day" orders entered by the Bankruptcy Court. Accordingly, certain outstanding liabilities may have been reduced by postpetition payments made on account of prepetition liabilities. Where the Schedules list creditors and set forth the Debtors' scheduled amount of such Claims, such scheduled amounts reflect amounts owed as of the Petition Date, adjusted for any postpetition payments made pursuant to the authority granted to the Debtors by the Bankruptcy Court, subject to further adjustment as described in the Claims of Third-Party Entities, below. In addition, to the extent the Debtors pay any of the Claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend or supplement the Schedules and Statements or take other action, such as filing Claims objections, as is necessary and appropriate to avoid over payment or duplicate payments for liabilities.
11. - Recharacterization. Notwithstanding that the Debtors have made reasonable efforts to correctly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized, or designated certain items. The Debtors reserve all rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as is necessary and appropriate.
12. - Claims of Third-Party Entities. While the Debtors have made reasonable efforts to classify properly each Claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and/or contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third-party entities on account of the Debtors' obligations to both such entity and its affiliates. Therefore, to the extent that the Debtors have classified their estimate of Claims of a creditor as disputed, for example, all Claims of such creditor's affiliates listed in the Schedules and Statements shall similarly be considered as disputed, whether or not they are designated as such.
13. - Liabilities. The Debtors allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change.
14. - Guarantees and Other Secondary Liability Claims. The Debtors have made reasonable efforts to locate and identify guarantees and secondary liability Claims (collectively, "Guarantees") in each of the executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements to which any Debtor is a party. Where Guarantees have been identified, they have been included in the relevant Schedule for the Debtor or Debtors affected by such Guarantee. The Debtors have listed Guarantees on Schedule H for both the primary obligor and the guarantor of the relevant obligation. Guarantees were additionally listed on Schedule F for each guarantor, except to the extent they are associated with obligations under an executory contract or unexpired lease identified on Schedule G. It is possible that certain Guarantees embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements may have been inadvertently omitted. The Debtors reserve their rights to amend the Schedules to the extent that additional Guarantees are identified or such Guarantees are discovered to have expired or be unenforceable.
15. - Insiders. For purposes of the Schedules and Statements, persons listed as "insiders" have been included for informational purposes only. As to each Debtor, an individual is designated as an "insider" if such individual, based on the totality of the circumstances, has at least a controlling interest in, or exercises sufficient authority over, the Debtor so as to unqualifiably dictate corporate policy and the disposition of corporate assets. The Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he, she, or it is not an "insider" under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose. Amounts paid on behalf of employees for life, disability coverage, and like benefits, which coverage is provided to all of the Debtors' employees, have not been included.

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

16. - Intercompany Claims. Prepetition receivables and payables among the Debtors in these chapter 11 cases and their non-Debtor affiliates are reported on Schedule B-35 and Schedule F, respectively. Intercompany Claims are listed as of January 14, 2015. Certain types of expenses are allocated among the Debtors and their non-Debtor affiliates utilizing a comprehensive allocation methodology in connection with the monthly accounting close. For purposes of reporting prepetition activity for these expenses, the Debtors have applied a 14/31 factor to the total January 2015 allocations to approximate the prepetition balances. Additionally, there are certain expenses (e.g., debt service obligations) whose costs historically have been borne by CEOC only, without regard to the allocation methodology. As such, intercompany liabilities listed on Schedule F are marked as "contingent" and "unliquidated." For additional information about the Debtors' intercompany transactions and related cash management protocols, see the Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue Using Their Cash Management System, (B) Maintain Their Existing Bank Accounts and Business Forms, and (C) Continue Intercompany Transactions, and (II) Granting Related Relief [Docket No. 8] (the "Cash Management Motion") and the Memorandum in Support of Chapter 11 Petitions [Docket No. 4] (the "Informational Brief").

17. - Intellectual Property Rights. Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the rightful Debtor owner, however, in some instances intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.

The Debtors have not disclosed intellectual property rights for which an application is pending for confidentiality reasons. In addition, the Debtors have not disclosed certain international intellectual property rights where disclosure of such information would be commercially sensitive and/or for confidentiality reasons.

18. - Executory Contracts and Unexpired Leases. The Debtors have not set forth executory contracts or unexpired leases as assets in the Schedules and Statements. The Debtors' executory contracts and unexpired leases have been set forth in Schedule G. In addition, the Debtors' businesses are complex-while the Debtors have made diligent attempts to properly identify all executory contracts and unexpired leases, inadvertent errors, omissions, or over inclusion may have occurred.

19. - Setoffs. The Debtors incur certain setoffs and other similar rights from customers or suppliers in the ordinary course of business. Setoffs in the ordinary course can result from various items, including, but not limited to, intercompany transactions, pricing discrepancies, returns, refunds, debit memos, credits, and other disputes between the Debtors and their customers or suppliers. These normal setoffs and other similar rights are consistent with the ordinary course of business in the Debtors' industries and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list such ordinary course setoffs.

20. - Claims Description. Schedules D, E, and F permit each of the Debtors to designate a Claim as "disputed," "contingent," and/or "unliquidated." Any failure to designate a Claim on a given Debtor's Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated" or that such Claim is not subject to objection. The Debtors reserve all rights to dispute any Claim reflected on their respective Schedules and Statements on any grounds, including, without limitation, liability or classification, or to otherwise subsequently designate such Claims as "disputed," "contingent," or "unliquidated." In addition, the Debtors reserve their rights to object to any listed Claim on the grounds that, among other things, the Claim has already been satisfied.

21. - Causes of Action. Despite reasonable efforts, the Debtors may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in the Schedules and Statements. The Debtors reserve all rights with respect to any causes of action and nothing in the Global Notes or the Schedules and Statements shall be deemed a waiver of any such causes of action.

22. - Confidential or Sensitive Information. There may be instances in which certain information in the Schedules and Statements intentionally has been redacted due to the nature of an agreement between a Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information, or concerns for the privacy of an individual. The alterations or redactions are limited only to what is necessary to protect the Debtor or third party and will provide interested parties with sufficient information to discern the nature of the listing.

23. - Undetermined Amounts. The description of an amount as "unknown," "TBD," or "undetermined" is not intended to reflect upon the materiality of such amount.

24. - Mechanics' Liens. The inventories, property, and equipment listed in the Statements and Schedules are presented without consideration of any asserted mechanics', materialmen's, or similar liens.

25. - Letters of Credit. Amounts due and payable as of the Petition Date as listed herein do not reflect draws on letters of credit unless such draws were made by a third party, non-Debtor, or unless noted otherwise.

26. - Deferred Compensation Plans. CEC and certain of its affiliates, including the Debtors, maintain nonqualified deferred compensation plans (the "Deferred Compensation Plans") for the benefit of certain of their current and former employees. Various corporate-owned life insurance policies (the "COLIs") have been purchased and contributed into either an escrow account or a Rabbi trust (the "Asset Vehicles") in order to fund liabilities associated with the Deferred Compensation Plans. The Debtors have made reasonable efforts to ascertain their rights and obligations related to the Deferred Compensation Plans based on a diligent review of their books and records, which process is ongoing. Although the Debtors may not have any direct interest in the COLIs and the Asset Vehicles, out of an abundance of caution, the Debtors have listed the COLIs on CEOC's Schedule B 20. Claims related to the Deferred Compensation Plans have been consolidated and reported on CEOC's Schedule F. The ultimate liability for such Claims may lie partially or entirely with other Debtors or non-Debtor affiliates. To the extent that CEC is co-obligated under any of the Deferred Compensation Plans, such obligations are listed on CEOC's Schedule H. With respect to all information regarding the Deferred Compensation Plans presented herein, employee names and addresses have been redacted for privacy purposes. The listing of any asset or liability related to the Deferred Compensation Plans in the Schedules and Statements does not constitute any admission, conclusion, or waiver in any respect. The Debtors reserve all of

their rights to dispute, recharacterize, reallocate, and otherwise restate, as applicable, their rights and obligations in respect of the Deferred Compensation Plans.

27. - Supplemental Employee Retirement Plans. CEC and certain of its affiliates, including the Debtors, have historically maintained several supplemental employee retirement plans (the "Supplemental Employee Retirement Plans") to provide additional retirement benefits to a select group of former employees. The Debtors have stopped making payments to plan participants as of the Petition Date. The Debtors have made reasonable efforts to ascertain their rights and obligations related to the Supplemental Employee Retirement Plans based on a diligent review of their books and records. Out of an abundance of caution, the Debtors have listed Claims related to the Supplemental Employee Retirement Plans on CEOC's Schedule F. The ultimate liability for such Claims may lie partially or entirely with other Debtors or non-Debtor affiliates. To the extent that CEC may be co-obligated under the Supplemental Employee Retirement Plans, such obligations are listed on CEOC's Schedule H. With respect to all information regarding the Supplemental Employee Retirement Plans presented herein, employee names and addresses have been redacted for privacy purposes. The listing of any liability related to the Supplemental Employee Retirement Plans in the Schedules and Statements does not constitute any admission, conclusion, or waiver in any respect. The Debtors reserve all of their rights to dispute, recharacterize, reallocate, and otherwise contest any purported liabilities in respect of the Supplemental Employee Retirement Plans.

General Disclosures Applicable to Schedules

1. - Classifications. Listing a Claim (a) on Schedule D as "secured," (b) on Schedule E as "priority," or (c) on Schedule F as "unsecured," or a contract on Schedule G as "executory" or "unexpired," does not in each case constitute an admission by the Debtors of the legal rights of the claimant, or a waiver of the Debtors' right to recharacterize or reclassify such Claim or contract.

2. - Schedule B. Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in the Schedules and Statements, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant nonbankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions that they may have, and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of actions, or avoidance actions or in any way prejudice or impair the assertion of such claims. In addition, certain items that may be classified under Schedules B-4, B-5, B-6, B-7, B-8, B-25, or B-27 are instead listed on Schedules B-28 and B-29.

(a) - Schedules B-1 and B-2. The current value of the Debtors' interest in property set forth on Schedules B-1 and B-2 is listed as of the Petition Date.

(b) - Schedule B-9. The Debtors hold certain of their insurance policies in their own name. The Debtors also are insured under certain policies held by their non-Debtor affiliates, including CEC. Additional information regarding the insurance policies listed on Schedule B-9 is available in the Debtors' Motion for Entry of an Order (I) Authorizing the Debtors to (A) Continue Their Prepetition Insurance Coverage, (B) Satisfy Payment of Prepetition Obligations Related to That Insurance Coverage in the Ordinary Course of Business, and (C) Renew, Supplement, or Enter Into New Insurance Coverage in the Ordinary Course of Business, and (II) Granting Related Relief [Docket No. 14].

(c) - Schedule B-15. The New Jersey Casino Control Act provides, among other things, for an assessment of licenses equal to 1.25 percent of gross gaming revenues in lieu of an investment alternative tax equal to 2.5 percent of gross gaming revenues. The Debtors may satisfy this investment obligation by investing in qualified eligible direct investments by making qualified contributions or by depositing funds with the New Jersey Casino Reinvestment Development Authority (the "CRDA"). Funds deposited with the CRDA may be used to purchase bonds designated by the CRDA or, under certain circumstances, may be donated to the CRDA in exchange for credits against future CRDA investment obligations. The Debtors have not included their rights in respect of CRDA deposits under Schedule B-15.

(d) - Schedule B-16. The Debtors have disclosed the net book value with respect to accounts receivable listed on Schedule B-16, which represents the amount of accounts receivable reduced for any reserves for "doubtful accounts." For purposes of Schedule B 16, "doubtful accounts" are those accounts that the Debtors have identified as unlikely to be paid. Accounts receivable generally consist of, among other things, vendor deposits, management fees, markers, and other hospitality, gaming, and entertainment related receivables.

(e) - Schedule B-21. As noted above, in the ordinary course of business, the Debtors may have accrued, or may subsequently accrue, certain rights to counterclaims, setoffs, refunds with their customers and vendors, or other claims against third parties and affiliates. In addition, the Debtors evaluate potential claims against contract counterparties in the ordinary course of business. In certain instances, the Debtors may have contingent claims against such third parties. Because such claims are unknown to the Debtors and not quantifiable as of December 31, 2014, they are not listed on Schedule B-21.

The Debtors have listed certain amounts on CEOC's Schedule B-21 relating to a foreign tax credit refund claim (the "FTC Claim"). Because the foreign source income and the foreign taxes related to the FTC Claim were generated from numerous Debtor entities and the FTC Claim resulted from a consolidated tax return, the Debtors have presented the FTC Claim on a consolidated basis.

As set forth in the Informational Brief and related pleadings filed in these chapter 11 cases, CEOC's Special Governance Committee is conducting an independent investigation into potential claims and causes of actions the Debtors may have against CEC or its affiliates and, based on that investigation to date, has determined that it would require a significant contribution from CEC and its affiliates to settle and release claims. The Special Governance Committee's investigation is ongoing and the releases for CEC and its affiliates included in the proposed restructuring support agreement are expressly subject to its completion. The transactions contemplated by the proposed restructuring support agreement include contributions from CEC valued at no less than \$1.5 billion. Potential estate claims and causes of action held by any of the Debtors will also be subject to review and independent investigation by a court appointed examiner pursuant to an order of the Bankruptcy Court, dated March 12, 2015, Order Granting in Part and Denying in Part Motions to Appoint Examiner [Docket No. 675]. To address these potential claims and causes of action, the Debtors have included on Schedule B-21 for CEOC a contingent, unliquidated, and disputed claim against CEC and its affiliates, including affiliates of Apollo Global Management and TPG Capital, L.P. The identification of potential claims against CEC and its affiliates does not constitute any admission, conclusion or waiver in any respect, and the Debtors reserve all rights with respect to any potential claims and causes of action, including to supplement or

identify with specificity the plaintiffs and defendants to be named with respect to the subject claims and causes of actions.

(f) - Schedule B-22. As noted above, the Debtors have not disclosed (i) intellectual property rights for which an application is pending for confidentiality reasons, and (ii) certain international intellectual property rights where disclosure of such information would be commercially sensitive and/or for confidentiality reasons.

(g) - Schedule B-23. The Debtors' casino and hotel operations require the Debtors to maintain the proper regulatory approvals at the state and local levels with respect to each property. These licenses include gaming licenses, food and beverage licenses, alcohol and tobacco licenses, hotel licenses, building and operational licenses, and other business licenses. With respect to Schedule B-23, the Debtors have only listed gaming and alcohol licenses because they comprise the material licenses recorded on the books and records. There is no readily ascertainable book value for such licenses and they are being reported as having "undetermined" value as a result.

(h) - Schedule B-24. As described in the Customer Programs Motion, the Debtors offer various customer loyalty programs (the "Customer Loyalty Programs"). The Debtors' most prevalent Customer Loyalty Program is the enterprise wide Total Rewards® program. As of the Petition Date, the Total Rewards program included approximately 45 million members. Through the program, participating customers can accumulate Reward Credits® and Tier Credits® in various ways, including when they play, dine, shop, or stay at the Debtors' resorts and casinos. Customers can also earn Reward Credits through additional methods, including a Total Rewards Visa credit card and partnerships with Starwood Hotels and Resorts Worldwide, Inc. and SkyMall.

Using Customer Loyalty Programs such as Total Rewards®, the Debtors are able to generate and analyze significant amounts of data regarding their customers, their spending habits, and their preferred experiences. This data is critical to the operation of the Debtors' businesses and the Debtors consider it a significant competitive advantage, but such data has not been disclosed for privacy, commercial sensitivity, and confidentiality reasons.

(i) - Schedule B-34. The Debtors own and operate certain golf course properties which, from time to time, use various chemicals to maintain playing surfaces and other areas.

3. - Schedule D. The Claims listed on Schedule D arose or were incurred on various dates; a determination of the date upon which each Claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each Claim. All Claims listed on Schedule D, however, appear to have arisen or were incurred before the Petition Date. Capital leases are listed on Schedule G.

Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset of a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors have scheduled Claims of various creditors as secured Claims, the Debtors reserve all of their rights to dispute or challenge the secured nature of any such creditor's Claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's Claim. Further, while the Debtors have included the results of Uniform Commercial Code searches, the listing of such results is not nor shall it be deemed an admission as to the validity of any such lien. The descriptions provided in Schedule D are solely intended to be a summary and not an admission of liability. The Debtors made reasonable, good faith efforts to include all known liens on Schedule D but may have inadvertently omitted to include an existing lien because of, among other things, the possibility that a lien may have been imposed after the Uniform Commercial Code searches were performed or a vendor may not have filed the requisite perfection documentation.

In certain instances, amounts arising on account of CEOC's secured funded debt obligations are listed on Schedule D notwithstanding the absence of a guarantee by such Debtor where such Debtor has granted a security interest in certain of its assets and/or pledged subsidiary equity as collateral for such secured obligations. The Debtors have listed such obligations on Schedule H as well.

Except as specifically stated on Schedule D, real property lessors, utility companies, and other parties that may hold security deposits have not been listed on Schedule D. The Debtors reserve their rights to amend Schedule D to the extent that the Debtors determine that any Claims associated with such agreements should be reported on Schedule D.

Moreover, the Debtors have not included on Schedule D parties that may believe their Claims are secured through setoff rights or inchoate statutory lien rights. Although there are multiple parties that hold a portion of the debt included in the Debtors' prepetition secured credit facilities, only the administrative agents have been listed for purposes of Schedule D.

4. - Schedule E. The listing of any Claim on Schedule E does not constitute an admission by the Debtors that such Claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve all of their rights to dispute the amount and the priority status of any Claim on any basis at any time. All Claims listed on Schedule E are Claims owing to various taxing authorities to which the Debtors may potentially be liable. Certain of such Claims, however, may be subject to ongoing audits and the Debtors are otherwise unable to determine with certainty the amount of many, if not all, of the remaining Claims listed on Schedule E. Accordingly, the Debtors have listed all such Claims as unknown in amount, pending final resolution of ongoing audits or other outstanding issues. The Debtors have not listed on Schedule E any wage or wage-related obligations which the Debtors have been granted authority to pay pursuant to a "first day" or "second day" order, including the Final Order (I) Authorizing the Debtors to Pay Certain Prepetition (A) Wages, Salaries, and Other Compensation, (B) Reimbursable Employee Expenses, and (C) Obligations Relating to Medical and Other Benefits Programs, and (II) Granting Related Relief [Docket No. 617]. The Debtors believe that all such Claims have been or will be satisfied in the ordinary course during these chapter 11 cases pursuant to the authority granted in the relevant order.

5. - Schedule F. The Debtors have used reasonable efforts to report all general unsecured Claims against the Debtors on Schedule F based upon the Debtors' existing books and records as of the Petition Date. The Claims listed on Schedule F arose or were incurred on various dates. In certain instances, the date on which a Claim arose is an open issue of fact. In addition, the Claims of individual creditors for, among other things, goods or services are listed as either the lower of the amounts invoiced by such creditor or the amounts entered on the Debtors' books and records and may not reflect credits, rebates, or allowances due from such creditors to the

applicable Debtors. The Claims and amounts listed in respect of certain trade payables reflect payments by (a) the Debtors pursuant to applicable "first day" and "second day" orders, and (b) non Debtor affiliates where applicable. Certain Debtors may pay additional Claims listed on Schedule F during these chapter 11 cases pursuant to these and other orders of the Bankruptcy Court and reserve all of their rights to update Schedule F to reflect such payments. In addition, certain Claims listed on Schedule F may be entitled to priority under section 503(b)(9) of the Bankruptcy Code. The Debtors list intercompany payables on Schedule F.

Schedule F also contains information regarding pending litigation and an ongoing escheatment audit involving the Debtors. The dollar amount of potential Claims associated with any such pending litigation or audit is listed as "undetermined" and marked as contingent, unliquidated, and disputed in the Schedules and Statements, except to the extent such litigation Claims have already escheated to the estate. Some of the litigation Claims listed on Schedule F may be subject to subordination pursuant to section 510 of the Bankruptcy Code. Schedule F also includes potential or threatened legal disputes that are not formally recognized by an administrative, judicial, or other adjudicative forum due to certain procedural conditions that counterparties have yet to satisfy.

6. - Schedule G. While every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. Each lease and contract listed in Schedule G may include one or more ancillary documents, including any underlying assignment and assumption agreements, amendments, supplements, full and partial assignments, renewals and partial releases. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of business, such as financing agreements, subordination, nondisturbance agreements, supplemental agreements, amendments/letter agreements, title agreements, and confidentiality agreements. Such documents may not be set forth on Schedule G. Certain of the contracts, agreements, and leases listed on Schedule G may have been entered into by more than one of the Debtors. Further, the specific Debtor obligor to certain of the executory contracts could not be specifically ascertained in every circumstance. In some cases, the same supplier or provider appears multiple times in Schedule G. This multiple listing is to reflect distinct agreements between the applicable Debtor and such supplier or provider. In such cases, the Debtors made their best efforts to determine the correct Debtor on which to list such executory contracts or unexpired leases. Certain of the executory contracts may not have been memorialized in writing and could be subject to dispute. Certain contracts related to upcoming convention-related business have been excluded in the interests of confidentiality and to protect the Debtors' business relationships.

The Debtors reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Inclusion of any agreement on Schedule G does not constitute an admission that such agreement is an executory contract or unexpired lease, and the Debtors reserve all rights in that regard, including, that any agreement is not executory, has expired pursuant to its terms, or was terminated prepetition.

7. - Schedule H. In the ordinary course of their business, the Debtors may be involved in pending or threatened litigation and Claims arising in the ordinary course of their business. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Due to the volume of such Claims, and because each such Claim is contingent, disputed, or unliquidated, and listed elsewhere in the Schedules and Statements, such Claims have not been set forth individually on Schedule H. As set forth above, Schedule H also reflects Guarantees by various Debtor and non-Debtor affiliates of obligations primarily vested in other related affiliates. The Debtors may not have identified certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements, and the Debtors reserve the right to amend Schedule H for that reason.

As set forth in the Informational Brief, parties in interest have commenced litigation in respect of certain transactions related to CEC's alleged guarantee obligations under certain credit documents. These proceedings are pending. The Debtors have not listed such alleged guarantee obligations on Schedule H.

General Disclosures Applicable to Statements

1. - Question 1. The revenue amounts listed in response to Question 1 are reported through January 31, 2015, net of promotional allowances.

2. - Question 3(b). The Debtors have responded to Question 3(b) in a detailed format by creditor. The response to Question 3(b) includes any disbursement or other transfer made by the Debtors except for those made to (a) insiders or other Debtors (which payments appear in response to Question 3(c)), (b) non-insider employees, and (c) bankruptcy professionals (which payments appear in response to Question 9). In addition, the response to Question 3(b) does not include checks that were either voided or not presented before the Petition Date. Due to the nature of the Debtors' cash management system, certain payments reflected in certain Debtors' responses to Question 3(b) and Question 3(c) relate to payments made to affiliates who, in turn, remitted such payments to vendors or other creditors providing services to the Debtor entity making such payment. Finally, the response to Question 3(b) excludes disbursements in respect of customer winnings related to gaming activity.

3. - Question 3(c). As described in the Cash Management Motion and the Informational Brief, the Debtors routinely make payments to Debtor and non-Debtor affiliates, including Caesars Enterprise Services, LLC ("CES"), in the ordinary course of business as it relates to the cost of goods and services and as it relates to the movement of cash to and from accounts, resulting in intercompany receivables and payables. Included in this activity are the daily cash sweeps from zero balance accounts as well as cash funding for the casino cages. The amounts listed in response to Question 3(c) include such payments or transfers made from a Debtor to another Debtor or non-Debtor affiliate during the one-year period preceding the Petition Date. To the extent the Debtor is a holder of a security issued by another Debtor or a non-Debtor affiliate, the Debtor periodically receives cash or equity distributions, or interest payments. Only cash distributions with respect to the foregoing made in the one-year period preceding the Petition Date are set forth in the rider attached to Question 3(c).

The Debtors have attempted to include all payments made on or within 12 months before the Petition Date to any individual or entity deemed an "insider." For purposes of Question 3(c), the Debtors define "insider" in accordance with section 101(31) of the Bankruptcy Code. With respect to section 101(31)(B)(ii) of the Bankruptcy Code, an "officer of the debtor" consists of the following positions: chief executive officer, chief financial officer, chief accounting officer, chief marketing officer, chief regulatory and compliance officer, chief restructuring officer, general counsel, secretary, treasurer, president, the executive vice president of human resources, and the executive vice president of communications and government relations. Certain disbursements to "insiders" have been paid or reimbursed

by non-Debtor affiliates, including CES, in the ordinary course and consistent with historical practice. In addition, on October 3, 2014, certain individuals listed in response to Question 3(c) became CES employees. The Debtors have disclosed gross amounts paid to "insiders" irrespective of whether a Debtor or non-Debtor affiliate, including CES, made such disbursement in fact and without regard to the comprehensive allocation methodology, as described above. As a result, certain amounts listed in respect of payments to insiders (a) may also be reflected in the amounts listed in respect of CEOC's disbursements to CES, and (b) may reflect amounts paid by CES on account of non-Debtor obligations with non-Debtor funds.

As discussed above, the inclusion of a party as an "insider" is not intended to be nor should be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, Claim, right, or defense, and all such rights, Claims, and defenses are hereby expressly reserved.

4. - Question 4(a). The Debtors reserve all of their rights and defenses with respect to any and all listed lawsuits and administrative proceedings. The listing of any such suits and proceedings shall not constitute an admission by the Debtors of any liabilities or that the actions or proceedings were correctly filed against the Debtors or any affiliates of the Debtors. The Debtors also reserve their rights to assert that neither any Debtor nor any non-Debtor affiliate is an appropriate party to such actions or proceedings.

There are several pending litigation matters that are believed to have potential recoveries. The actual amount of these litigation matters is contingent on the outcome of the cases. The Debtors routinely participate in administrative actions and appeals with state agencies regarding permits in the ordinary course of their business and they have identified those administrative actions that were pending within one year of the Petition Date.

5. - Question 7. As described in the Debtors' Motion for Entry of an Order (I) Authorizing the Debtors to Maintain and Administer Their Existing Customer Programs and Honor Certain Prepetition Obligations Related Thereto, and (II) Granting Related Relief [Docket No. 12] (the "Customer Programs Motion"), in the ordinary course of business, the Debtors provide customers with, among other things, gift certificates, gift cards, and various coupons to reward and encourage continued gaming. In addition, the Debtors present certain of their customers with various offers individually tailored to the customer and delivered through direct marketing campaigns. The offers include free slot play, free hotel nights, and free event tickets, among others. Generally, the offers are property-specific and expire within one to two months from the offer date. As with many other casino businesses, the Debtors offer various complimentary goods and services, including food and drinks, to certain of their customers to encourage repeat business. The Debtors are not disclosing such gifts related to gaming activities. Instead, the Debtors are disclosing other gifts, including those that qualify as charitable contributions. Although the Debtors have made reasonable efforts to ensure that the gifts listed in response to Question 7 include all gifts made, given the magnitude of the Debtors' operations, certain gifts may have inadvertently been omitted from the Statements.

6. - Question 8. The Debtors occasionally incur losses for a variety of reasons, including theft, bodily injury, property damage, and losses due to cheating. Although such losses are tracked internally and subject to internal review processes before payments are authorized, the Debtors may not have records of all such losses to the extent such losses do not have a material effect on a Debtor's businesses or are not reported for insurance purposes.

7. - Question 9. The response to Question 9 identifies the Debtor that made a payment in the first instance on behalf of professionals the Debtors seek to retain under section 327 of the Bankruptcy Code and does not reflect subsequent intercompany allocations of payments. Amounts paid to such entities or individuals may include amounts paid for services unrelated to debt counseling or bankruptcy.

8. - Question 10. In addition to the items listed in response to Question 10, the Debtors have also provided detailed explanations of their recent transactions in various publicly available filings, including CEOC's and CEC's most recent reports on Form 10-Q, each filed with the SEC on November 11, 2014. While the Debtors have made reasonable efforts to respond comprehensively to Question 10, certain de minimus asset sales and transfers may be omitted unintentionally.

9. - Question 11. The Debtors have listed only closed bank accounts in response to Question 11.

10. - Question 12. As described in the Customer Programs Motion, in the ordinary course of business, the Debtors maintain customer deposits of cash and other valuables in connection with the Debtors' gaming and hotel operations. Those depositories are not included in response to Question 12.

11. - Question 13. As noted above, the Debtors routinely incur setoffs during the ordinary course of business. Setoffs in the ordinary course can result from various items including intercompany transactions, counterparty settlements, pricing discrepancies, rebates, returns, warranties, and other transaction true-ups. These normal setoffs are consistent with the ordinary course of business in the Debtors' industry and are particularly voluminous, making it unduly burdensome and costly for the Debtors to list all normal setoffs. Therefore, normal setoffs are excluded from the Debtors' responses to Question 13.

12. - Question 14. As described in the notes to Question 12 above, in the ordinary course of business, the Debtors, from time to time, hold cash on behalf of their customers. In addition, in the ordinary course of business, the Debtors engage in consignment arrangements with some of their vendors. The Debtors take possession, but not title, to certain retail goods, which may be sold to the Debtors' customers in the ordinary course. Title to the consigned assets does not transfer to the Debtors and the Debtors are not obligated to remit any proceeds to vendors on account of such consigned assets until the goods are sold. The Debtors do not record such assets on their books and records. Therefore, such assets are not included in response to Question 14.

13. - Question 17. The Debtors have operations in many locations. At some locations, the Debtors no longer have any operations and may no longer have relevant records, or the records may no longer be complete or reasonably accessible or reviewable. Some individuals who once possessed responsive information are no longer employed by the Debtors. For all these reasons, it may not be possible to identify and supply the requested information for every "site" and "proceeding" literally responsive to Question 17. The Debtors have devoted substantial internal and external resources to identifying and providing the requested information for as many responsive sites and proceedings as reasonably possible. The Debtors may supplement or amend this response in the future. Due to the number of potentially responsive matters, the practical burdens in compiling information on inactive matters and the presumably lower relevance of information on inactive matters, information is presented only for matters that have been active within the last few years and that the Debtors do not consider to be closed. When some requested categories of information were not reasonably available for a listed "site" or "proceeding," the Debtors' response gives as much information as was

reasonably available. Sites that are listed in the response to Question 17(a) (sites for which the Debtors have received notice from a governmental unit) are not repeated in response to Question 17(b) (sites for which the Debtors have provided notice to a governmental unit). To avoid duplication, notices are not listed to the extent they refer to another notice already identified in Question 17(a). This response does not include sites or proceedings related to non-environmental laws such as occupational safety and health laws or transportation laws. The Debtors make routine reports and submissions concerning discharges resulting from normal operations consistent with regulatory requirements, such as discharge monitoring reports, toxic release inventory submissions and submissions concerning air emissions. This response is limited to those reports and submissions that identify uncontrolled releases and hazardous materials and does not purport to identify all routine reports and submissions.

14. - Question 18. CEOC and its related Debtor and non-Debtor affiliates total over 400 separate legal entities. Due to the volume of legal entities enterprise-wide, the Debtors believe it would be prohibitively difficult to track every change in the capital structure over the six years prior to the Petition Date. Thus, the diagrams attached in response to Question 18 reflect the capital structure of CEOC and its subsidiaries on a consolidated basis as it existed at the end of each 2009, 2010, 2011, 2012, 2013, and 2014.

15. - Question 19(b). The audit referenced in Question 19(b) occurred in respect of CEOC and its subsidiaries on a consolidated basis.

16. - Question 19(d). Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, CEOC and its subsidiaries have filed with the SEC reports on Form 8-K and Form 10-Q. These SEC filings contain consolidated financial information. As the SEC filings are of public record, the Debtors do not maintain records of the parties that requested or obtained copies of any of the SEC filings from the SEC or the Debtors. In addition, the Debtors provide certain parties, such as banks, auditors, potential investors, vendors and financial advisors financial statements that may not be part of a public filing. The Debtors do not maintain complete lists to track such disclosures. As such, the Debtors have not provided lists of these parties in response to this question.

17. - Question 20(a). The Debtors elect to use cycle counting procedures instead of taking a complete physical inventory of all items. Additionally, the Debtors may hold inventory of various goods across multiple locations, some of which may not undergo physical inventory counts on a regular basis. For these reasons, amounts listed in response to Question 20(a) may differ from those listed in Schedule B-30.

18. - Question 21. Holders of more than five percent of a Debtor's outstanding equity securities are listed in Schedule B-13 and Schedule B-14 for the current year.

19. - Question 22. Any response to Question 22 includes only those individuals that have terminated their relationship with the listed Debtor as either a director or officer, and does not include individuals that have simply changed their title but who have otherwise maintained their relationship as a director or officer. Former holders of more than five percent of a Debtor's outstanding equity securities are listed in the response to Question 18.

20. - Question 23. Unless otherwise indicated in a Debtor's response to Question 23, the Debtors have included a comprehensive response to Question 23 in Question 3(c) and Question 10.

SCHEDULE E - CREDITORS HOLDING UNSECURED PRIORITY CLAIMS

A complete list of claims entitled to priority, listed separately by type of priority, is to be set forth on the sheets provided. Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name and mailing address, including zip code, and account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether husband, or wife, both of them or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." In re: Caesars Entertainment Operating Company, Inc.Case No. 15-01145**UNITED STATES BANKRUPTCY COURT****Northern District of Illinois****SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and account number, if any, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the filing of the petition. Do not include claims listed in Schedule D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete schedule H - Codebtors. If a joint petition is filed, state whether husband, wife, both of them, or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report total of all claims listed on the schedules in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

☐ Check this box if debtor has no unsecured nonpriority claims to report on this Schedule F.
